Boris plans to build us out of crisis

BORIS Johnson has announced a spending spree to help the economy cope with the “aftershock” of the coronavirus crisis.

The Prime Minister also returned to the theme of his general election campaign, promising to “level up” parts of the country that had been left behind while the South East prospered.

In a speech in Dudley – a seat the Tories took from Labour – the PM promised to tackle the “unresolved challenges” of the last three decades, highlighting problems in building, social care and the economy.

Promising to “build, build, build” his way out of the crisis, Mr Johnson said he would slash “newt-counting” red tape in the planning system to speed up the delivery of homes and infrastructure projects.

But Opposition MPs accused him of not offering any new ideas

State Pension age ‘unhealthy’

THE average “healthy working life expectancy” for employees in England falls below the State Pension age, it’s claimed.

Workers aged 50 can expect an average of nine more healthy years while working, a study shows.

As the State Pension age rises, researchers expressed fear for the health of older workers.

Lead author of the study Marty Parker said that people will find it “challenging” to work for longer as the State Pension age goes up.

People born after April 6, 1978 have a State Pension age of 68.

CLOGGED: Roads could be jammed

CARMAGEDDON!

A THIRD of drivers will take to the road this weekend to celebrate the easing of the lockdown, according to the RAC.

More than 10million of us will be escaping our homes for an overnight stay on July 4, the motoring group’s poll found.

The date has been dubbed “Super Saturday” due to pubs and restaurants reopening.

Officials are now braced for chaos on what is expected to be the busiest weekend on the roads this year, as many choose to avoid public transport for fear of infection.

It marks a stark contrast to two months ago, when the

10 MILLION will take to roads on Super Saturday, experts warn

traffic on the roads plummeted to mid-1950s levels.

Some 6.5million motorists are planning overnight stays with friends or family, while around two million drivers will head off for ‘staycation’ breaks at campsites, the poll found.

Some 680,000 drivers plan to visit caravan sites, while one million will stay in hotels, B&Bs or other self-catering accommodation.

The predictions are based on a survey of 1,400 drivers. In recent days, the number of

breakdowns has returned to normal levels.

But, as many drivers have not used their cars much, rescue and recovery firms are braced for a sharp rise in incidents this weekend.

The RAC’s Rod Dennis said: “These figures suggest that after 15 weeks of lockdown, a large proportion of drivers in England are desperate to reconnect with friends, family and indeed nature.”

“This could lead to some busy conditions on the roads”

We failed to slow spread in Leicester

ACTION to slow the spread of coronavirus in Leicester over the last 11 days failed to work and tougher measures were needed, the Health Secretary said yesterday.

Matt Hancock said a range of targeted interventions over the last week or so – including working with factories that saw a spike in cases – had not managed to stem the outbreak.

It came as Prime Minister Boris Johnson thanked the people of Leicester for their “fearlessness” in dealing with the new coronavirus restrictions.

Mr Hancock said: “We’ve been monitoring it incredibly closely, we have put in extra testing units, some of the schools in Leicester were closed already.”

“Unfortunately that targeted action wasn’t working in Leicester and that’s why we have taken this much broader measure.”

Under the new lockdown measures, non-essential shops and schools will close in the city for two weeks.

Deaths return below average

NO excess deaths were registered in England and Wales over a week for the first time since before the coronavirus lockdown was imposed, the Office for National Statistics says.

The overall number of weekly registered deaths fell below the five-year average for the first time since the week ending March 13.

There were 65 fewer deaths registered in the week ending June 19 – 0.7 per cent below the average number of deaths for this period over five years.

In both hospitals and care homes the number of deaths fell below the average, with 782 and 49 fewer deaths respectively.

However, there were 827 excess deaths in people’s private homes.

HEADING FOR A FALL: Winter of Discontent led to last slump this bad

DOWN IN THE Economy figures worse than expected in plunge not seen since 1979 SLUMPS!

THE UK economy shrank more than first thought between January and March, contracting 2.2 per cent in the largest fall since 1979, official figures show.

And experts say there’s WORSE to come.

The Office for National Statistics (ONS) revised down its previous estimate, with all the main economic sectors dropping.

There was a significant economic impact in March, as the coronavirus pandemic began to have an effect.

The data comes as the Prime Minister delivered a major speech on the economy, promising a huge spending spree.

Jonathan Athow, of the ONS, said: “Our more detailed picture of the economy in the first quarter showed GDP shrank a little more than first estimated.”

“All main sectors of the economy shrank significantly in March.”

By ROY DURRIDGE
news@sundaysport.co.uk

The first-quarter contraction is now the joint biggest drop since the July-to-September period in 1979, which followed the crushing Winter of Discontent.

The services sector – which accounts for about three-quarters of UK income – shrank by a record 2.3 per cent.

Production output fell by a revised 1.5 per cent in the three months, driven by declines in manufacturing as factories temporarily shut down, while there was a fall in construction output of 1.7 per cent.

When compared with the same three-month period a year ago, the economy shrank by 1.7 per cent.

But as the coronavirus lockdown only came into force on March 23, the second quarter will show the full hit on the economy.

Recent ONS monthly figures showed the economy plummeted by 20.4 per cent in April – the largest drop in a single month ever and three times greater than the decline seen during the whole of the 2008 to 2009 economic downturn.

Economist Samuel Tombs, said the latest figures could be summed up as: “The biggest contraction for 40 years, even though Q1 contained just ‘nine lockdown days.’”

The data “was just the prelude”, with worse to come, he added.

COPS BRACED FOR PUB CARNAGE

BRITAIN’S largest police force will have extra cops on duty in case violence flares when pubs reopen in much of England on Saturday.

Metropolitan Police Commissioner Dame Cressida Dick said her force has been planning for July 4 “for some time” and that the public will see “a lot” of officers on London streets.

She said in an interview: “We’re planning, we’ve got extra resources in place, we’re talking to people in every way we can think of, we are absolutely prepared.”

“You will see a lot of police officers out on the street. There will be a lot more ready should people

be out of order, should people get violent. But I’m not predicting that at this stage.”

London has seen tensions flare during recent protests and a number of unlicensed music events.

Dame Cressida said: “We have seen over recent weeks feelings have been running high in a number of areas for lots of different reasons.”

“My message is, if you’re coming out on Saturday, be calm, be sensible. Look after yourself, look after your family. We are still in a global pandemic.”

Cineworld puts back reopening

CINEWORLD has pushed back the reopening of its UK and U.S. cinemas to July 31, blaming a delay in new film releases.

The chain had previously announced cinemas in both countries would open on July 10.

Cineworld said films including *Mulan* and *Tenet* had been delayed from July to August.

It said cinemas would open with safety measures in place.

PEAKY BLINDERS HELEN: DON'T BE TOO SEXY

(Er...like

Helen

TV drama

PEAKY *Blinders* star Helen McCrory has warned fellow actresses: **Don't be too sexy!**

Helen, 51, argues that film and television roles emphasising the sexiness of female characters do not reflect real life and may perpetuate the problem of women being judged by the way they look.

She told BBC Radio 4's *Desert Island Discs*:

"What you do as an actress is you make sure that when you get a part you don't make it dependent on your sexuality."

"Because that's not going to make it easier for the women behind you."

Helen, who has played a long list of powerful women – from Cherie Blair to Narcissa Malfoy in the *Harry Potter* series and Aunt Polly in *Peaky Blinders* – says actresses need to "look to ourselves" to stop women from having to rely on their looks.

But when she was talking about not being

sexy, presumably she was not talking about her character's steamy sex scene with a struggling artist in *Peaky Blinders*.

Or the bit in the 1996 C4 drama *The Fragile Heart* where she gets her pert busters out!

Helen added: "As an actress, you know that you'll have put filters on, you'll have had makeup on, you'll have had lighting."

"I don't look like I look like on screen in life. Nobody does."

Liverpool wags from last league title win reunite

THE red half of Merseyside erupted with joy last week as Liverpool won their first Premier League title.

It's been an amazing season for Jurgen Klopp's team, clocking up a string of records – and could yet break more.

But this is football and there's always someone having a cheeky pop.

This photo has been doing the rounds – a reference to Liverpool last winning a league title under Sir Kenny Dalglish in 1990, before the Premier League.

One Liverpool fan said: "Who cares? We're the Champions!"

Matt Le Tiss 'reviewing' BLM badge

SKY Sports pundit Matt Le Tissier says he is "reviewing" wearing a Black Lives Matter badge on the TV channel after sympathising with a Twitter user's claim that the movement has a "far-left ideology".

The former football star spoke about the UK arm of the organisation, which has risen to prominence after a U.S. group of the same name mounted protests after the killing of George Floyd by a white policeman.

Presenters and guests on Sky Sports have worn Black Lives Matter badges when appearing on programmes, but now Southampton legend and former England player Le Tissier says he has held talks with his bosses about this.

Yesterday Black Lives Matter UK criticised Labour leader Keir Starmer after he dismissed their aim to "defund the police".

Sir Keir said: "Nobody should be saying anything about defunding police."

BLM UK spat back: "As a public prosecutor, Sir Keir Starmer was a cop in an expensive suit."

Man charged with importing £10m cocaine

A MAN from the Isle of Wight has been charged as police investigate the seizure of around 100 kilos of cocaine from the back of a van carrying frozen FISH.

Jean-Pierre Labelle, 43, from Ryde, was first arrested in March, then re-arrested on Saturday and charged with importing Class A drugs.

It follows the huge £10million cocaine haul discovered in the early hours of November 23 at Newhaven port in East Sussex.

Border Force officers recovered 97 packages, each containing about a kilo of coke.

After an appearance before magistrates in Newport on Monday, Labelle was remanded in custody and will appear at Lewes Crown Court on July 27.

She added: "For me, the pottery scene in *Ghost* between Demi Moore and Patrick Swayze is just SO sexy - even though you don't see it going in."

BRITS' favourite sex scene in a movie is the tense piano scene between Julia Roberts and co-star Richard Gere in *Pretty Woman*.

Eighty-six per cent of Brits picked it as their favourite - and 65% want to try it out!

Lucky for those few with a piano in their living room.

In second place is the iconic car scene from *Titanic* - nearly everyone remembers the famous steamy handprint as Jack and Rose's affair comes to a climax - with 83% choosing it as their favourite sex scene and 79% wanting to recreate it for themselves.

The Notebook takes third place, with the rain-kissing scene being chosen by 81%.

Chemistry

And if the emotional chemistry between Rachel McAdams and Ryan Gosling doesn't sell it, his ability to carry her up the stairs with one hand and his pants around his ankles certainly does.

He sets the bar high for a great sexual experience, and 80% of those asked would love to try it.

These are followed by the pottery scene in *Ghost* (79%) and the fight scene in *Mr and Mrs Smith* (75%).

The Adult Division of *OnBuy.com* asked 3,680 Brits to choose their favourite movie sex scenes of all time, as well as those they intend to try out with partners.

Netflix cut Peep Show black face sex scene

NETFLIX has removed a sex scene from cult Brit comedy *Peep Show* where a main character wears blackface in the bedroom.

Series two episode *Dance Class* sees Jez, played by Robert Webb (above), 'black up' while he and girlfriend Nancy (Rachel Blanchard) experiment in bed.

Jez says: "It just feels almost wrong. Are you sure this isn't racist?"

But Nancy replies: "We're breaking a taboo, of course it feels wrong. We've got boundaries to smash, Jeremy."

"It's our duty to God, Shiva, NASDAQ, whatever you want to call him. I come from America - I've seen the problems race brings up."

Hit comedy shows such as *Little Britain* and *Mighty Boosh* have also recently had episodes dropped for featuring blackface.

Meanwhile the 'cut' scene from *Peep Show* - which ran from 2003 until 2015 - is still available to watch on Channel 4's streaming service.

Hate speech channels ban on YouTube

YOUTUBE has banned several high profile white supremacist channels as online platforms face scrutiny on how they deal with racism and hate speech.

Channels belonging to Canadian white nationalist activist Stefan Molyneux, US white supremacist Richard Spencer and former Ku Klux Klan leader David Duke were among the six taken down.

YouTube said the channels were banned for repeatedly claiming members of protected groups are inferior to others, among other serious violations.

The video sharing platform began cracking down on supremacist channels 12 months ago, and have terminated over 25,000 channels "for violating our hate speech policies".

SEX ATTACK CRICKETER LOSES APPEAL

JAILED:
Former Worcs ace Alex Hepburn

Judges rule: 'The conviction is not unsafe'

A CRICKETER jailed for raping a sleeping woman in his teammate's bedroom has lost his Court of Appeal bid to have his conviction overturned.

Alex Hepburn, 24, was jailed for five years in April last year for the attack, which took place at a flat in Worcester in 2017 during the first night of a sexual conquest competition he helped set up on a WhatsApp group.

A jury had found Hepburn guilty of oral rape at a retrial that same month, but cleared him of a further count of rape relating to the same victim.

At the trial, the Australian-born former Worcestershire star was said by the prosecution to have been "fired up" by the contest to sleep with the most women, before carrying out the rape at his flat on April 1, 2017.

All-rounder Hepburn challenged his conviction at the Court of Appeal earlier this month.

Consent

But, in a judgment handed down yesterday, three senior judges, including the Lord Chief Justice Lord Burnett, dismissed his appeal, saying: "The conviction is not unsafe."

At the hearing, Hepburn's lawyers argued that messages presented to the jury did not show that he was willing to have sex with a woman without consent. Many of the messages related to a game between Hepburn and a number of others to gain sexual encounters, the court was told.

Hepburn's barrister, David Emanuel QC, said: "The idea propagated

by the Crown, that he was so desperate to win the game this year that he would ignore true consent if he had to, is just not supported by anything in the messages or by the fact of the game itself."

Mr Emanuel told the judges: "I accept it would be different if there was talk of sex against will, or trickery to gain a point, or taking a chance, but there is nothing like that in the messages."

Miranda Moore QC, representing the Crown Prosecution Service, argued that it was right that these WhatsApp messages were heard at the trial.

She told the court that "this wasn't a bit of boyish banter at a point in time" but a "deep seated and long-running game between a number of sportsmen".

Jailing Hepburn at Hereford Crown Court on April 30 last year, Judge Jim Tindal told the cricketer: "You probably thought it was laddish behaviour at the time. In truth it was foul sexism."

But her perky stunt didn't meet the approval of everybody.

Internet user Burn74 spat: "Please put it away dear, you're not 25. Just reeks of desperation and insecurity..." Babble10 commented: "Nips and it's not even Friday!"

While Phizza of York said: "Imagine flapping your nips out as your only real claim to fame?..."

UK heading for 104F highs

THE risk of days with sweltering 40C (104F) heat in the UK could rise significantly by the end of the century without action to drive down the emission of greenhouse gas, the Met Office has warned. Climate change caused by human activity is already pushing the mercury to new record

highs, with 38.7C in Cambridge in July last year the highest ever recorded in the UK.

Those new records prompt the question of whether 40C heat is on the horizon for the UK, with heatwaves posing a potentially severe risk to people's health, say researchers at the Met Office Hadley Centre.

Denise's spot too much for daytime telly

VIEWERS of *Loose Women* have slammed the daytime show for airing an "unnecessary" discussion about SEX.

The panel of female hosts were discussing whether articles which give tips on shagging actually do more harm than good.

The conversation turned to G-spots and the loose ladies began speaking about their own experiences in the bedroom.

Denise Welch, 62 (above), said: "I will openly say if there was a G-spot, I would have found it."

But some viewers weren't impressed with the segment, with one fan posting on Twitter: I think you should choose your topics for discussion a little more wisely. It's lunchtime, the TV may be on in the background, lots of children are off school and you thought it would be the perfect time to discuss if the G-spot exists. Really?!"

Another said: "Cringe today - my boys having their lunch while you are talking about sex and G-spots!"

Church sparks fury with raffle for assault rifle

A CHURCH faces an unholy row after it held an **ASSAULT RIFLE** giveaway during its weekly service. Grace Baptist Church in Troy, New York, drew protest thanks to the giveaway, promoted on flyers which read: "WIN A FREE AR-15".

Protester Steven Negron raged: "It's extreme poor taste."

"They decided to raffle off a rifle when we have all of the shootings going on in all our communities."

"An AR-15 rifle is completely unnecessary in this community. Even as a hunting rifle, I mean that's not really the type used to hunt."

Pastor John Koletas said the church held the giveaway to honour hunters and gun owners who have "been so viciously attacked by anti-Christian socialist policies".

Furious reaction to jailed killers' LESBIAN affair

EVIL killer Joanna Dennehy is dating a fellow female murderer in prison – and their lesbian hook-up has caused outrage.

Dennehy, 37, jailed in 2014 after killing three men during a 10-day spree, is now loved up with Emma Aitken, 25, jailed alongside her father and boyfriend for killing a man.

The pair, both serving life, are believed to have met at Low Newton Prison in County Durham, the highest security prison for women in Britain.

Stabbed

Online commentators are furious about the girl-on-girl tryst, with @MacariSaidBigJoeCanoe storming: “Bit of luck they’ll choke on each other’s rugs, not nice people.”

For the innocent, that means the commenter would like the pair to choke on each other's hairy bushes as they lap

hungrily in a mutual

Mum-of-two Dennehy is one of only two women in Britain serving a whole-life prison term. The other is Rose West.

The other is Rose West. Dennehy stabbed three men to death - Lukasz Slaboszewski, 31, John Chapman, 56, and Kevin Lee, 48 - and dumped their bodies in ditches outside Peterborough, where she lived before knifing two more men in Hereford.

Aitken is serving a minimum term of 12

years after being jailed aged 19 in 2014 for the murder of traveller Barry Smith, whose burnt body was found outside a social club in Kilburn, Derbyshire.

Aitken and Dennehy are said to pass the time in jail making trifles and cheesecake while other prisoners stay in their cells.

The murderers have even given each other embroidered cushions with their names on.

At trial, the Old Bailey was told Dennehy had a "sexual and sadistic motivation".

And Dennehy herself told a psychiatrist: "I killed to see how I would feel, to see if I was as cold as I thought I was. Then it got moreish."

Starving rats target homes

CANNIBAL rats are on the rise across Britain as the desperate vermin turn to humans' houses to find some much needed grub during lockdown.

Starved rodents are eating their young as they scabble for food while city centres and restaurants remain shut.

Rentokil has reported an 80% rise in demand as rats crawl up drains, gnaw through plastic piping and swim into toilet bowls.

Expert Steve Belmain, from the Natural Resources Institute in Kent, said: "Mother rats will eat their young in the hope of being able to reproduce again. If there's not enough food to take care of herself, she won't kill herself looking after them."

Rose: I tricked Weinstein into admitting crime

ROSE McGowan has revealed how she "tricked" disgraced Hollywood producer Harvey Weinstein into admitting his crimes.

The actress, who accused the movie mogul of sexually assaulting her in the 1990s, was one of the leading activists of the #MeToo movement that ultimately saw him convicted and jailed earlier this year.

In an interview, the *Charmed* star (above), 46, said she "tricked him" after refusing to sign a non-disclosure agreement.

She revealed: "I said I wanted a hundred thousand dollars. And I think he got so excited. And I said I wanted less money but I don't want to sign a non-disclosure."

"So I had a document that proved what he'd done and didn't have an NDA."

On the day of the conviction, Rose claimed that Weinstein had been running a "rape factory".

Amazon's boss Bezos gets the chop at home

RAGING lefties have set up a GUILLOTINE outside a home of Amazon boss Jeff Bezos.

A sign alongside the grisly apparatus read: "Support our poor communities. Not our wealthy men."

It was not clear if Bezos (*above*), 56, was at the Washington DC home at the time. His main home is in Seattle, where he founded what grew into the colossal e-commerce company in 1994.

He is now worth around £130billion, according to Forbes.

A digital flyer which advertised an event in DC claimed: "Amazon works directly with police to surveil us, stoking racist fears in the name of profit. Doubling down on their union-busting and mistreatment of workers. Join us to tell Jeff Bezos enough is enough!"

"END THE ABUSE AND PROFITTEERING. ABOLISH THE POLICE, THE PRISONS, AND AMAZON."

With Black Lives Matter protests descending into looting and rioting across the United States, this pair decided to take no chances.

Mark and Patricia McClusky brandished firearms at a group of protesters who marched through their upscale neighbourhood in St Louis, Missouri, on their way to the home of Mayor Lyda Krewson.

Lawyer, Mark, stood on his Renaissance-style porch holding a semi-automatic weapon, while his wife, Patricia, pointed a pistol at the gathering.

Shouting

The armed couple confronted the group of around 300 protesters after they breached a gate in the walled neighbourhood.

A video on Twitter showed Patricia point the firearm at passing protesters while shouting.

One protester wearing a t-shirt that read "Hands up, don't shoot" then urges participants to relocate into the street in an attempt to de-escalate the situation.

The protesters were en route to

Mayor Krewson's home to demand her resignation after she released names and addresses of residents who suggested defunding the police department.

Speaking about the incident, Mark said: "We were threatened with our lives, threatened with our house being burned down, my office building being burned down, even our dog's life."

"It was about as bad as it can get. I really thought we would be dead and the house would be burned."

Unlike in Britain – where it is a crime punished with the utmost severity – defending your own home is not illegal in the United States.

Man takes fire engine to bar

A MAN broke into a fire station, stole a fire engine and took it for a joyride with the sirens on for 15 miles, until he reached a bar in the next town.

Dawson Cody Porter was arrested by police at Fisherman's Bar in Naknek, Alaska, and charged with burglary, vehicle theft and criminal mischief.

He had used a piece of wood to break a window at the King Salmon Fire Station in Eagle River, then got behind the wheel of a fire truck and burst through the station doors.

Local police said: "He caused around £8,000 worth of damage and rendered an £80,000 piece of fire apparatus inoperable until repairs can be made."

NAKED JESUS HELD IN PARK FOUNTAIN

A NUT who calls himself "Son of God Lord Saviour Jesus Christ" has been arrested for being NAKED in a fountain, less than 12 hours after he was held for a nude brawl in the drained water feature.

Homeless Matthew Mishefski, who had been living in the empty fountain at Washington Square Park in New York, was taken to nearby Beth Israel Hospital.

He'd refused to leave, despite pleas from park department workers and outreach workers.

Eyewitnesses said Mishefski arrived at the fountain, took off his clothes, and burnt a plastic McDonald's cup with a lighter when police moved in and took him into custody.

A Parks Enforcement Patrol spokesman said Mishefski was tough to communicate with, adding: "He won't talk to anyone unless they call him Jesus Christ Lord Saviour."

Fans slate actress Florence as she apologises for wearing braided hair & henna tattoos

POOR Florence Pugh...

The actress posted a lengthy statement to her Instagram account on Friday, letting her 1.5m followers know that she is "ashamed" to look back at some of her past actions of so-called "cultural appropriation", which include getting henna tattoos and getting her hair braided into "cornrows".

But her grovelling to the gods of political correctness won't little favour with her fans.

Florence, 24, blathered that her past violations against "woke" culture were first brought to her attention by a fan calling her out for a photo she posted of herself when she was 17. She called the picture an example of "Rastafarian cultural appropriation."

She wailed: "I braided my hair and painted a beanie with the Jamaican flag colours and went to a friend's house, proud of my Rastafarian creation."

Hindsight

"I then posted about it next day with a caption that paraphrased the lyrics to Shaggy's song *Boombastic*."

"I am ashamed of so many things in those few sentences."

In hindsight, Florence called her decisions "uneducated" and also provided an example of her childhood when she befriended an Indian woman who owned a shop in her native Oxford, filled with fabrics, jewellery, henna and more.

She credited this woman with teaching her all about the culture, of which she became "obsessed".

Florence wrote: "There wasn't a summer where I didn't henna my hands,

feet, my family's hands and feet."

She added: "I cannot dismiss the actions I bought into years ago, but I believe that we who were blind to such things must acknowledge them and recognise them as our faults, our ignorance and our white privilege and I apologise profusely that it took this long."

But Flo's mea culpa did not win much praise among ordinary Brits.

One, Sue Forbes, of Broadstairs, Kent, stormed: "You absolute drip."

Another commented: "Such an easily brain-washed dimwit! Every culture has braided their hair. You can, too, Florence."

And yet another netizen raged: "There was absolutely no need for this. This is nothing but publicly trying to abase oneself in virtue signal, hoping to be praised. Silly girl..."

But never mind that shit - here's the Black Widow babe's tits...

...and Julia's dripping too!

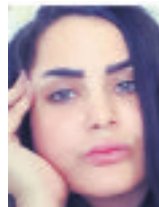

YOU'LL need a cold shower after looking at this snap!

Gorgeous Julia Rose's fans got all steamy when she shared the stunning pic on Instagram. In the shower shot, Julia is covering her nips with her fingers, which press slightly into her soft, giving tit-flesh.

The 26-year-old, who shot to fame when she flashed her boobs at the 2019 baseball World Series, captioned her photo: "Hey I love you, now say it back."

One fan drooled: "I would use her pubes as tooth floss."

"That's if she has any pubes. Is she hairless? Oh my God. Soft, shaven, hairless...PLIP!"

TikTok belly dancer gets 3 years' jail

A BELLY dancer was sentenced to THREE YEARS in prison after prosecutors said she posted sexually suggestive videos to TikTok.

Sama el-Masry (above), 42, was arrested by Egyptian cops in April and accused of inciting debauchery and committing immorality by sharing the content.

But the dancer has denied uploading the videos to the social media platform, telling authorities the content was stolen from her phone and posted by somebody else without her consent.

John Talaat, a member of parliament who demanded legal action against el-Masry, claimed that she and other female social media influencers were destroying family values and traditions.

He harrumphed: "There is a huge difference between freedom and debauchery."

El-Masry and her lawyer said they will appeal against the sentence.

Magic! Hippy mushrooms in legal bid win

MAGIC mushrooms may soon be made legal.

Organisers say they have received over 164,000 signatures on a petition which would legalise psilocybin - the active compound in psychedelic mushrooms - for therapeutic use.

This qualifies the measure to go on the ballot in November, though the petitioners will have to wait until mid-July for confirmation that the measure will appear on this year's ballot.

Psilocybin is found in many species of mushrooms, but following the counterculture movement of the 1960s they have become more widely known as "psychedelic" or "magic" mushrooms.

If the law passes, the U.S. state of Oregon would become the first to legalise the hippy drug.

Drunken sailor dies in fall

A PROFESSIONAL British sailor died after falling from his yacht after a drunken night out in Barcelona, an inquest has heard.

Zane Gills, 36, from Lymington, Hampshire, was visiting his brother, who was the captain of a yacht moored in the Spanish city, for Christmas last year when the fatal accident happened.

An inquest held remotely from Winchester was told that he'd been out cycling with his brother, Kristyn, on December 26 before the pair had gone out for food

and drink in the La Rambla area.

After drinking beer, rum and gin, the brothers went back to the 34-metre yacht *Bairudo VI* moored at the city's Port Vell marina at about 1.30am.

Kristyn Gills told the hearing that when he awoke, he found his brother was no longer on the boat although his jacket was on the dockside.

Divers found Zane's body under the yacht at 1.30am the following day.

The coroner recorded a verdict of accidental death.

FRENCH LOVELIES PAULINE AND MATHILDE TANTOT SPARK NEW CRAZE FOR...**SISTER ACTS!**

By JAYNE FERGUSON
news@sundaysport.co.uk

WITHOUT the magic of social media, it would be unlikely we would have heard of the gorgeous Tantot sisters.

Between them, 25-year-old twins Pauline and Mathilde have MILLIONS of followers on Instagram.

And the pair of French fancies push the platform's nit-picking "no nudity" rules to the limit.

The twins are often seen wearing flimsy see-through tops, to the delight of fans.

And when the pair venture onto less-stuffy sites, their pert, firm breasts are exposed for all to see.

And there's something lovely about sisters, isn't there?

Today we pay tribute to the joy of genetics, proving that fit sisters often come in pairs...

In 2000, actress Hilary Swank won an Oscar for her role as real-life transgender murder victim Brandon Teena. Here, we reveal how vile John Lotter still sits on Death Row in Nebraska for a killing spree which killed not only Brandon but also two of his friends...

TRAGIC TALE:

secret got out

JOHN Lotter says he's too stupid to be executed.

In a series of appeals against his death sentence, the convicted murderer said he believes executing him would be 'unconstitutional' because, intellectually speaking, he functions as an infant.

Yet what Lotter and accomplice Tom Nissen perpetrated in December 1993 was far from child's play.

The pair learned that their friend Brandon Teena, 21, had actually been born a woman – and he still possessed the breasts and female genitalia he'd tried so hard to hide.

Disgusted by what they had found out, Lotter and Nissen kidnapped and raped

By **KOURTNEY KENNEDY**
news@sundaysport.co.uk

Brandon before ordering him to keep quiet.

Brandon, though, defied their hate-filled orders and went to the police.

What happened next, however, exposed a harmful underbelly of prejudice and ignorance from those in authority.

Nissen and Lotter, 22, were questioned about the rape but no charges were brought due to a 'lack of evidence'.

Brandon's mother, JoAnn Brandon, later successfully sued Richardson County police for failing to prevent her son's death.

Sheriff Charles Laux was even found to

have referred to Brandon as 'it', rather than 'he'.

Three days after that initial sexual assault, Lotter and Nissen hunted down Brandon before shooting and stabbing him to death along with two friends who had been protecting him – Lisa Marie Lambert, 24, and Phillip DeVine, 19.

Moaned

After the murderers were arrested, Nissen turned on Lotter and testified in court that he had been the killer and antagonist.

Nissen scored a reduced sentence of life in prison as Lotter was handed a death sentence in February 1996.

Lotter, now 48, protests his innocence to this day, pointing the finger right back at Nissen.

In a recent TV interview, Lotter moaned about his life while refusing to take responsibility for his actions.

He said: "It's pretty boring. What do I miss the most about the outside? Everything."

"There's not just one thing. Family, of course. I can have communication with them, but it's not the same. And I don't get to see all of them."

"Everyone has the will to live. I'm going to fight with every last breath I have to prove my innocence."

JoAnn Brandon, meanwhile, is still consumed by grief and haunted by images of seeing son Brandon's

battered body at his funeral.

She said: "When I touched the head, I couldn't touch anywhere there wasn't a bump."

After winning her claim against the police department who did so little to protect Brandon, she said: "I'm so happy today. I'll sleep better knowing that we have found some justice."

"Because of this case, fewer parents will find their kids abused and exposed to danger by law enforcement officials."

Brandon was born Teena Renae Brandon and grew up in a mobile home in Lincoln, Nebraska.

When her father Patrick died in a car accident when she was just eight months old, it was left to JoAnn to bring up Teena and

her older sister, Tammy.

As young children, both Teena and Tammy were sexually abused by their uncle.

As far as anyone can remember, Teena was always a 'tomboy'.

And when she reached her teens, she began identifying as a male, calling herself Billy at one stage.

Mum JoAnn, however, did not find it easy to cope with recognising her daughter as a male.

She once said: "I wouldn't play the game. If someone called her asking for Billy, I would say, 'There's no Billy here'."

"I wouldn't refer to her as something she wasn't."

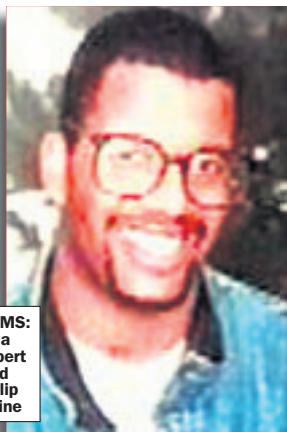

Teena, however, was starting to find her true self. She even enjoyed several relationships

with women before moving to Falls City, Nebraska, in 1993 and becoming Brandon – identifying only as a man from then on.

Brandon moved into the home of close friend Lisa Lambert and eventually began dating Lisa's friend, Lana Tisdell.

He also started hanging out with ex-convicts Lotter and Nissen.

The story behind his tragic murder began on December 19, 1993, when Brandon was arrested for forging cheques.

Booze

News of his arrest was posted in the local newspaper under his birth name, Teena Brandon.

Rumours began to circulate.

Fuelled by booze at a Christmas Eve party, Lotter and Nissen grabbed Brandon and forced him to remove his trousers.

With utmost cruelty, they also forced Brandon's girlfriend Lana to watch as his

birth gender was exposed. Police files reveal: "Lotter held Brandon while Nissen pulled his pants down in Lana Tisdell's presence, exposing a sock between his legs."

Hours later, Lotter and Nissen took things further.

Court documents say: "Nissen physically attacked Brandon and forced him into a car driven by Lotter. Both Nissen and Lotter then subjected Brandon to nonconsensual sexual penetration."

It was a sustained and brutal attack.

Lana's mother, Linda Gutierrez, told how Brandon turned up at her door in urgent need of medical attention.

Linda said: "When Brandon showed up he was wearing no shoes and a T-shirt, holding his ribs and bleeding."

Brandon had been warned by Lotter and Nissen not to go running to the cops, unless he wanted them to 'silence him permanently'.

But, bravely, Brandon did file a report.

Sheriff Charles Laux

It was subsequently ignored.

When Sheriff Laux questioned Brandon about the rape, he seemed more interested in his transsexuality rather than the actual crime – to the point where Brandon began to refuse to answer questions.

Lotter and Nissen were quizzed by detectives but released without charge.

That's when they set about making sure Brandon would keep quiet permanently.

Hours before the murder, Lana said Lotter told her 'I feel like killing someone'.

She added: "He was wearing gloves. I'd never seen him do that, not

even in the dead of winter."

Court documents describe what happened next: "Around 1am on December 31, 1993, Nissen and Lotter drove Lotter's car to Lambert's residence. Both were wearing gloves and Lotter was armed with a handgun and a knife."

"Lotter kicked in the door and they went to the bedroom, where they found Lambert lying on a bed. Her baby was in a crib nearby."

"Nissen asked where Brandon was before finding him hiding under the bed."

Shot

"Nissen grabbed Brandon by the arm, stood him up, then shot him."

"Brandon continued to twitch, so Nissen got the knife from Lotter and stabbed him in the abdomen repeatedly."

"After he stabbed Brandon, Nissen picked up the baby and handed the baby to Lambert."

"As soon as he did so, Lotter raised the pistol and shot Lambert in the stomach. The

shot did not kill her. "Nissen grabbed the baby and put him back in the crib."

"Nissen demanded to know if anyone else was in the house. When Lambert said Phillip DeVine was present, Lotter left the room to find him."

"Lotter returned to the room with DeVine and shot Lambert again, this time in the eye."

"DeVine, who had been pleading for his life, was led back to the living room."

"Nissen told DeVine to sit down on the couch. As soon as he did so, Lotter shot him twice."

Lotter and Nissen fled before eventually being arrested and charged with murder.

Brandon is buried in Lincoln Memorial Cemetery in Lincoln, Nebraska.

Mum JoAnn finally seems to have accepted Brandon's true identity.

In an interview in 2013, she said: "I wonder about how my life would be different if she was still here with me."

"She would be such a joy to have around. She was always such a happy kid. I imagine her being a happy adult."

"And if being happy meant living as a man, I would be fine with that."

SEX BEAST: I'M BEING CHASED BY TIME TRAVELLERS

A MAN arrested for allegedly attacking seven women at knifepoint told cops he was being chased by TIME TRAVELLERS.

Victor Johnson, 37, allegedly claimed he was being harassed by Doctor Who-style space beings and was being chased by naked men before he attacked his victims.

He was arrested for the string of attacks that unfolded from the evening of June 17 through to the afternoon of June 18 in Indianapolis, Indiana.

Johnson has been charged with attempted murder, rape, four counts of criminal confinement, aggravated battery, four counts of battery, four counts of intimidation, two counts of kidnapping, three counts of sexual battery and confinement.

54-year-old woman, a 49-year-old woman and a 21-year-old woman told police they were attacked in the park.

Just minutes later, cops received a report of a woman stabbed in the neck.

Civilians nearby held Johnson down until police arrived to take him into custody.

At that point, Johnson told officers he got 'beat up by some females' prior to his arrest and one of them 'been a man who turned into a woman'.

He then alleged that multiple times a day people came out of time machines to bother him.

He also said he was being chased by naked men and didn't know why.

When asked who the president of the US was, he did not know.

Johnson is being held in Marion County Jail.

Urinating

The attacks were reported to have started at 5pm on June 17 when he pounced on two women who saw him urinating outside their apartment.

At around 6.20pm, another woman called police to say she had been attacked by a man in a car park.

The following day, cops were called to the Veterans Memorial Plaza following a report that several women were attacked by a man with a knife matching the June 17 suspect.

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

Why do we let ourselves get screwed by Marxist w*okers?

FROM today, punters will be allowed and encouraged to return to De Wallen, better known as the red-light district of Amsterdam.

Presumably as part of a package to stimulate their own coronavirus-hit economy, politicians in The Netherlands say it's time to get the world's oldest profession up and running again.

Both prostitutes and punters will be ordered to wear gloves, however – and oral sex is a no-no.

But as for the rest of it, the message is... fill your boots.

Compare and contrast that attitude with this country and wonder how we got here.

Evil

Teachers still refuse to return to work until 2043, churches remain shut, and you still can't have a pint until this coming Saturday – and only if you provide Boris with your inside leg measurement.

But you *can* go on protest marches, smash up statues, accuse everyone of racism, weep about appalling ancestral behaviour dating back hundreds of years and demand the overthrow of the police.

The stuff about teachers, churches and booze are okay, you see, because forcing teachers to work instead of sacking them for doing nothing is evil, churches are institutionally racist (though mosques

are not, naturally), and drinking pints in pubs is what only old Brexit voters do.

Whereas mass, "largely peaceful" protests (meaning "illegal protests including outbreaks of serious violence") and weeping about ancient things nothing to do with you and overthrowing the cops are all given the nodded, open approval of the "woke".

Because every single one of our national institutions, bar the government itself, is controlled by the insidious outstretched fingers of the left.

Plenty of councils are run by the Tories or Lib Dems. But almost every council, no matter who is politically in charge, employs a workforce largely in step with the left.

The education establishment no longer even pretends to be impartial, about its overarching left-wing political viewpoint, even

though that is precisely what "educating" – as against sinister Marxist "re-educating" – is.

The entire BBC, the fire service, the NHS, the police, every quango in the country, charities, even the bloody clergy for God's sake – all of them are eagerly supping from the chalice of cultural Marxism, even if they don't realise it.

"Smash shit up but don't go to work and it's okay by us lefties as it'll definitely bring down the wicked, how-dare-they-win-general election fascists this time," goes the tacit message from supposed grown-ups.

So while the Dutch are now invited to f**k prostitutes off of Dam Square, we instead are allowing the UK to be f**ked by wankers.

All while being cheerleadered on by ideology cranks who forgot how to win democratic elections a decade ago.

'Beanpole' guns down teenagers

A HUMAN 'beanpole' has been charged with murder after gunning down two teenagers who'd earlier asked how tall he was.

Lanky Laroy Battle, 19 (above), opened fire on Jasean Francis, 17, and 16-year-old Charles Riley after they walked home from buying sweets at a convenience store, following a brief encounter with Battle.

Deputy Chief of Detectives Brendan Deenihan said: "The victims commented, because, since Battle is quite tall, they asked him how tall he was and you know, hoped to be that tall someday."

"Unfortunately we'll never see the full growth of these poor children."

The teenagers didn't know 6ft 3ins Battle, but after asking about his height, he followed them out and fired nine rounds at them.

Francis was shot in the back, chest and left hand, while Riley was shot in the back and left leg.

Both were taken to the University of Chicago Medical Center where they were pronounced dead.

Daughter took bread knife to own dad's balls

A WOMAN killed her own father by chopping off his GENITALS with a bread knife.

The 29-year-old woman had lived with victim Kasem Bunyachon since she was 10.

It's claimed she chopped off his cock and balls and killed him as revenge after years of abuse.

She was arrested after cops in Bangkok, Thailand, found CCTV footage showing her disposing of the bloody murder weapon in a supermarket bin.

Police also seized her 58-year-old father's body from their house in Lak Si district.

Speaking about the incident, the woman's mother described her dead ex-husband as "violent" and accused him of "immensely hurting" his daughter.

DRUG-CRAZED MISS PAID TEEN FOR SEX

ROMPS: Woods called cupboard in class 'sex pod'

Bella's the pick of the bunches!

LITTLE Bella Throne sent pulses racing when she posed in a bright orange swimsuit and with her hair in bunches as she took to Instagram.

The 22-year-old actress showed off her slim figure in a Derive Swimwear bikini adorned with cutouts under her chest to show acres of soft, yielding underit.

The former Disney star posed in front of a wall displaying different bright coloured wigs, as she snapped a mirror selfie.

Her bikini nearly matched the colour of her fiery locks, which were up in two pigtails, as two chunks, parted in the middle to frame her face.

One fan said: "I love bunches. Gives you something to hold on to, if you know what I mean?"

A RANDY teacher's assistant repeatedly romped with a teenage boy in a grubby cupboard at the back of a classroom which she nicknamed her "sex pod".

Nicole Evelyn Woods, 55, had been necking booze and smoking crystal meth when she abused the 15-year-old boy, as well as sending him nude photos of herself, a court heard.

Mum Woods at first denied the offences up until the victim - now 19 - was due to give evidence against her.

After joining the school in 2016 to help its visually impaired students, Woods began to strike up an illicit relationship with the pupil.

She started to buy the boy's food and even paid for his mobile phone to be repaired.

Boasted

She then sent him a Facebook message, where she asked him to "come play" with her in her store room at the back of the class at Staughton College in Melbourne, Australia.

It was the first of multiple sexual assaults she committed against the teenager over a five-month period in 2016.

The boy boasted to pals in the school playground that Woods paid him for each time

By **JUSTIN DUNN**

he shagged her, the court was told.

But it wasn't until one year later that police questioned her, with Woods denying all the allegations against her at first.

After officers found photos of Woods on the boy's Facebook account, she went on the run - sparking a nationwide hunt before being held in December.

Woods told police: "It was a snap of the brain. It was just so wrong, I knew it was wrong."

"I always wanted someone to love me."

Woods has since pleaded guilty to two charges of sexual penetration of a child under 16.

She will be sentenced at a later date.

THE WORLD FAMOUS AGONY Page

IVE been working from home – or rather, I haven't.

You see, since the IT department gave me a laptop so I didn't have to go to the office, I've found I can't help drifting onto porn sites.

I've watched virtually every type of sex act video going, including threesomes, cum-shots, anal, fisting, mature, cuckold, cream pie, you name it.

My favourite is lezbo stuff – watching hot women lick each others' fannies out and scissoring has me stripped and pulling on my pud in no time.

But talking of time, my porn watching has meant I've fallen way behind in my work and I fear for my job – but I can't help myself. Help!

MT. Oldham

Dani says...
SAVE your wanking till work's over.

I NEED some advice about one or two of my employees who are working from home.

Obviously, it was an important move to keep our staff safe, and I was surprised at how well it worked out the first time.

Recently, productivity in some areas seems to have tailed off quite a bit and I have a feeling some people are not putting in the hours they should be.

Worse than that, I think they may be using company property, namely the laptops we gave them, for uses other than those for which they were intended – ogling porn sites, to be perfectly frank.

Can you suggest how I can put a stop to it?

PC, Oldham

Dani says...
OH, I think things will get back to normal soon!

Footwear fittie had lots in store for me!

I'm a 27-year-old building worker.

In February I needed new boots so I called at a nearby shoe shop where one of the female staff is really fit.

As I walked in she was half-way up a ladder moving some boxes around.

She's about 40 and at least 12-stone but the sight of her rounded arse at eye-level got me pretty aroused.

I couldn't help letting out a builder's wolfwhistle but the shock caused her to lose her balance.

Smartly, I leapt over the counter and caught her.

I said sorry and explained that her sexy bum had been a big turn-on.

Instead of being cross she invited me to follow her into to the storeroom.

Then she sank to her knees, unzipped my fly and sucked on my knob.

She was an expert and teased the tip with her hot tongue before taking the entire shaft into her throat.

Then she unbuttoned her blouse and started fondling her breasts, then unzipped her skirt and leaned back on one of the shelves, spreading her thighs.

She pulled aside her panties and she slipped her middle finger into her love-tunnel.

So I thrust into her and f**ked her hard and long.

I've been itching to go back and shag her again, but this bloody lockdown means the shops have been shut.

What shall I do?

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week DANI MAYE has been reading through your letters. And here's her advice for you...

Why do I love it when my girl shags others?

Dear Dani,

MY problem is I can't get enough of naughty women.

While nice girls leave me cold, bad girls really inspire me.

What worries me is that girls with loose morals are not the ideal type to be getting involved with, are they?

And I've really got it very bad at the moment. The object of my lustful desires is a very tall, big-titted, fat-arsed darling I met in a country park.

Her idea of a cosy night at home is togging herself up in black seamed stockings and f**king herself with a certain item from the salad container of my fridge with a couple of hard-boiled eggs thrown in it for good measure.

And while she plunges it

deep into her gaping maw she regales me with stories, all of them true, about her latest sexual conquests, all of them perfectly disgusting.

I'll give you an example.

Last night, she came round to my place and couldn't wait to tell me about her latest adventure.

Apparently, she'd let herself get picked up by sweaty builders hungry for hard sex.

Prick

They took her back to one of their flats, where she knelt astride one of them and slid up and down on his prick.

His mate stood over her teasing her bum and the edges of her c**t with a huge vibrator, before she took his stonking hard-on into her eager mouth and gobbled him until he spunked over her face.

Whether it was planned or otherwise

she doesn't know, but in the middle of this depraved threesome two more guys off the same building site walked in and she ended up f**king all four of them.

None of the gave a thought to social distancing, it seems.

They gave her a really good seeing-to, though they in no way treated her roughly.

In fact, they bought her a slap-up takeaway meal afterwards. But it still makes her a right saucy slut in my book.

But the filthier her behaviour, the more I love her for it.

What makes me such an animal where women are concerned?

SW, Lancs

Dani says...

IT'S likely that classier females heighten your galloping inferiority complex, but don't worry about it.

Dear Dani,

BACK in December I moved north and decided to join the local rugby team.

I've always enjoyed a spot of amateur league action and it's a good way of socialising.

The refreshments at the club were made by a woman of about 40 and her sister, who is about 35 and just as good-looking.

In March, after a home game, I offered to help clear up while the rest of the lads went to the pub.

To be honest, I was trying to cut back on the boozing a bit, so it was a better excuse to make to the other players.

I'd only been collecting plates for a minute when the elder woman came up behind me and thrust her hand down my shorts, grabbing my suddenly rigid cock.

Her sister then came over and took my hand and put it down her shirt – to have a good fondle of her fabulous tits.

The pair of them got me so hot we all ended up in the showers where I managed to shag one while licking out the other.

We then swapped round and did it in all manner of positions – the younger sister was rimming me at one point while I slipped it up her sister's bumhole!

I wish we could get back to it again!

LP, North Yorks

Dani says...

YOUR odd-shaped balls will be back in action again soon, I'm sure!

#MY SEX FANTASY

WITH ZAFIRA KLASS, 34 34D-25-35 FROM BUDAPEST

A GOOD old gangbang... that has to be my wildest sexual fantasy!

It's pretty much the main thing I watch on porn.

I get so turned on by the idea of being really slutty and being pounded by multiple guys one after the other.

It's not what 'good girls' are supposed to do. We're meant to be all about romance and emotions... when we often love a good, emotionally unattached f**k as much as a bloke!

It's raw and animalistic, the girl is able to act out her most naughty side.

I get aroused watching porn when the woman is behaving really wild and cock starved!

Mmm... I'd love a hard dick in my mouth, one banging away in my pussy and another in my bum hole - with a queue forming to take their turns on me.

And hands all over my boobs and bum.

I love a good bukkake video too. There's definitely a side to me that just wants to be used as a sex object.

Would I ever do it? Well, I think I need to indulge in my ultimate fantasy at least once before I die!

'Being really slutty and pounded by multiple guys is a big turn-on'

NAUGHTY Lauren Wood has a bizarre secret... she has a fantasy about bonking Ken Barlow from *Coronation Street*.

The 32E beauty, from Romford, Essex, says she doesn't even understand the reason why herself – but whenever she sees the TV soap's elder statesman on the box, she gets a tingle in her nether parts.

Lauren, 25, said: "I know it's really embarrassing but Ken Barlow is my guilty crush."

"Not the actor who plays him, but the character."

"I don't know why or what it is, but I definitely want him to ravish me in the Rovers."

"I think he'd be a very tender lover who knows exactly what to do."

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Down on Abby* this is your lucky day.
 Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.
Down on Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small*** and footman Master Bates, hurriedly prepare to receive their honoured guests.
 But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keeks.
We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!
 This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

SEXY Verunka was dismayed when she heard acting legend Dame Judi Dench (*below*) declare last week that theatres could be doomed.

For the 34B beauty is a theatre technician in her home town of Prague when she's not posing for snaps like this.

She said: "I heard Dame Judi Dench say that she is unsure whether theatres will open again in her lifetime. That is so sad."

"Naturally, I hope that Dame Judi has a lot of years left in her yet, but I am so worried for the theatres that have been forced to close down due to the coronavirus."

Verunka added: "I hope she is wrong and the playhouses open again soon."

Pep: We'll give new champions guard of honour

PEP Guardiola says Manchester City WILL give Liverpool a guard of honour when they meet on Thursday.

But he couldn't resist having what many people see as a little dig against the new champions.

The City boss said: "We are going to do the guard of honour, of course. We will always receive Liverpool in an incredible way when they come to our house. So of course we are going to do this, because they deserve it."

Many are seeing Pep's referring to always giving Liverpool an incredible welcome as a dig at the Reds fans who attacked their team bus on the way into Anfield for the 2018 Champions League quarter-final.

Either way, Pep will be determined to show the Reds that City will be fighting hard to win their crown back next season.

There would be no better way of doing that than to give Liverpool a good hiding in their first game since being crowned as champions.

The bookies think the Premier League trophy will be back at Eastlands next season.

They make City even money to regain the crown with Liverpool around the 2/1 mark.

Showing what a big gap there is to the rest, Chelsea and Man United are third favourites at 14/1.

Spurs are way out to 50s under Jose Mourinho — the same price as north London rivals Arsenal.

Guardiola will want to strengthen his squad this summer.

But he may have to

GOING: Leroy Sane

work without the offer of Champions League football if City fail to have their ban overturned.

That could mean some of the top players may not want to come to the club.

It looks like Aston Villa schemer Jack Grealish is at the top of Pep's shopping list.

The expected £70m coming from Bayern Munich for Leroy Sane could be invested straight away once the Villans are relegated back to the Championship.

Pep is looking for a player to replace the departing David Silva and, while Grealish isn't at his level yet, he does play in a similar position to the Spaniard.

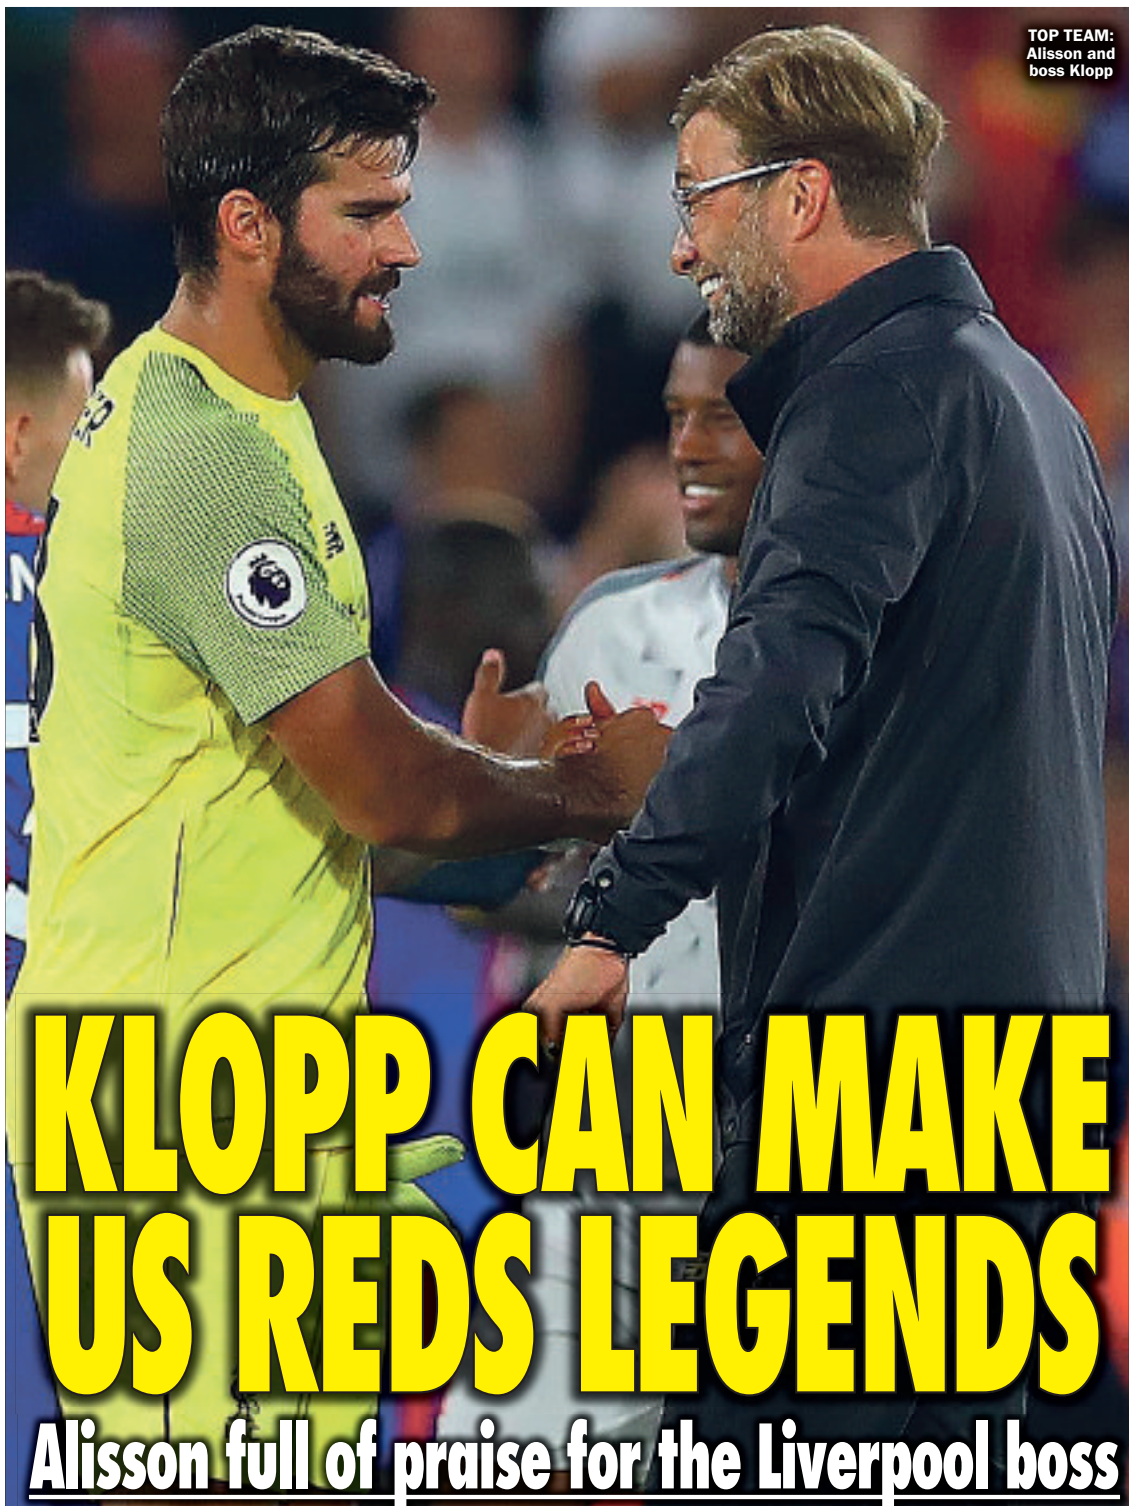

His main rivals for the deal appear to be Manchester United who are willing to spend big to get Ole Gunnar Solskjaer's prime targets.

A lot could depend on whether the Reds make it into the Champions League spots themselves.

COMING: Jack Grealish

TOP TEAM:
Alisson and boss Klopp

KLOPP CAN MAKE US REDS LEGENDS

Alisson full of praise for the Liverpool boss

LIVERPOOL goalkeeper Alisson Becker has thanked boss Jurgen Klopp for letting him make Anfield history.

Alongside Virgil Van Dijk, most pundits think the big stopper from Roma was the vital signing to end the club's 30-year wait for a title.

He arrived for £67m in 2018, replacing Simon Mignolet between the sticks. That is some considerable upgrade, considering Loris Karius was in goal for the 2018 Champions League final — with disastrous results for the Kopites.

And the Brazilian says he has "maximum respect" for the boss.

He added: "The maximum respect I can have for any one

By PAUL THOMAS

person, I have that for him. There's not many words that I could describe, maybe in Portuguese I can do that better!

"But yeah, he means, I think, everything for this club, for the squad. He brought us together here, he gave me the opportunity to come to Liverpool, he makes me feel special inside.

"My team-mates make me feel special inside and the supporters also, everybody, but the boss has a special place in everything I think for everybody — for the club and also for the supporters because he gave his life to achieve those things that we are achieving.

"I will always respect him,

and have big respect for him, and also be thankful to him for bringing me here and giving me the opportunity to become a legend here for Liverpool."

Like Klopp, Alisson is keen to make this year's Premier League title the first of many at Anfield.

He said: "We did already something special for this club, but you can see from what every player says inside the dressing room that we want to do more.

"This is our desire — we want to win more, win more titles, win more individual awards. We want to be the best team and the best version of ourselves.

"The sky is the limit so we need to keep pushing, we look forward to the next challenge."

Klopp has been speaking of

his desire to keep the current squad together next season.

There has been constant speculation about the likes of Sadio Mane and Mo Salah moving to Real Madrid or Paris St Germain at the end of the campaign.

The Reds turned down the chance to sign Timo Werner and Kai Havertz, who could both have been considered replacements for those in-demand strikers.

And it looks like Klopp will resist all offers for his prized assets when the transfer window eventually opens.

He said: "I cannot promise we will dominate football now, nor do I know if it is time to talk about major upheavals at the club.

"But I know our goal is to keep the team together."

Arsenal to knock Canaries off perch

GUNNER SCORE:
Alex Lacazette

FOUR Premier League games to look forward to this evening beginning with the visit of Norwich to the Emirates one of three six o'clock kick-offs.

Arsenal have won seven of their last 10 games in all competitions without impressing and will be glad to back on home soil after a run of four successive games on the road since the return from lockdown.

Norwich have won just one of their last 21 midweek games and their narrow but comprehensive loss to Everton was their 20th league defeat so far this season.

Drop

Mikel Arteta's side are 6/5 with BoyleSports giving Norwich a one-goal start on the handicap and I would be surprised if the hosts did not run out comfortable winners.

Bournemouth entertain Newcastle looking for their first point and goal since the return and the Cherries will be looking for a positive result in their fight against the drop.

Eddie Howe's side are 4/7 to be related at the end of the season 29/20 with Unibet to pick up a valuable three points which would see them move out of the bottom three.

I was disappointed with Newcastle against City on Sunday evening and this is a game

CharlieMcCann.co.uk
Tips, News and Betting Offers

Bournemouth must get something from The Cherries are 4/6 – draw no bet – and that is the recommendation.

Everton entertain Leicester and goals have been hard to come by for both clubs since the resumption with the Blues scoring just once in two games and the Foxes once in three games since lockdown including a 1-0 defeat in the FA Cup quarterfinal on Sunday.

Leicester indeed have failed to score in four of their last six league games and had to thank Kasper Schmeichel for the point they picked up against Brighton last week following his first-half penalty save.

I can't split the sides and expect to see a tight game with few opportunities. The draw is 47/20 at Unibet and a 1-1 draw could be over-

priced at 11/2 with bet365. The Foxes remain a best price 4/6 to end the season in the top four, but defeat at Goodison would be a huge boost to the chasing pack with United and Wolves ready to pounce.

West Ham were dreadful at Spurs midweek and they have lost their last three league games without scoring a goal.

The Irons start the day 2/1 at bet365 to be playing Championship football but they will know how many points Bournemouth have picked up against Newcastle when they take the pitch against Chelsea.

Landslide

The Blues of west London will hope the Blues of Goodison Park will have got something out of the visit of Leicester, but I will be surprised if David Moyes side get anything at the London Stadium.

Chelsea to win and both teams to score is 9/4 with bet365 and that is the tip.

Antepost betting is not everyone's cup of tea – having your money tied up for 9/10 months, but the 7/4 for Liverpool to retain the title was too big with Betfair and the 13/8 is still too big for a side who won by a landslide this season and finished just one point behind City last term.

It is just a match although I will also be backing United without Liverpool and City for next campaign.

TOUGH TIME:
David Moyes

SKIPPER:
Stokes

STOKES: I CAN BOWL OVER THE WINDIES

CRICKET

BEN Stokes says it will be attack, attack, attack when he leads England into next week's Test match against the West Indies.

Usual skipper Joe Root will almost certainly be missing from the Three Lions side at the Rose Bowl as his wife is expecting their second baby.

Because of Coronavirus precautions, the Yorkshireman will not be rushing back to the fold, leaving Stokes to lead the team for the first time.

And the world's No1 all-rounder will not be playing for a draw. When asked about his fielding strategy, he joked: "Nine slips and a gully, probably!"

Someone needs to remind Ben about the need for a wicketkeeper – but he will be going for it as much as possible in Southampton.

Stokes added: "No matter what I do, in terms of choosing what to do in a situation, it will always be the positive route.

"I hope that I always try to set the example in terms of attitude and commitment towards what I do.

"Even if I am in charge that's not going to change the way that I go about things, in terms of how I want to influence the game, which is try to make a positive effect with the ball or bat in my hand."

Plenty of cricket pundits are concerned that Stokes will find it too much to be a premier bowler, key batsman and captain.

That was certainly the case for both Ian Botham and Andrew Flintoff who saw their form dip when leading out the team.

As usual, Stokes is having none of that, booming: "I think the last time I captained might have been an academy game against Scotland or something. I

DAD DUTY: Joe Root

don't remember much because I was about 16.

"I've never set a goal out to want to be a captain, it's just always been about winning.

"Alastair Cook was always destined to be England captain; Joe was always destined to be captain after Alastair...if I'm being honest, I'm not one of those that people would necessarily associate as the next England captain. That's what everyone says.

"But getting the opportunity to captain England is a huge honour. Even if it's only the once you can still say I've captained England."

Ole needs cash for £100m Sancho

OLE Gunnar Solskjaer will offload as many as **SIX** players to raise money for Jadon Sancho.

when the season ends. United want to pay less than that because of the Coronavirus. That's unless they can bring in some cash through sales.

It may not mean too many changes to the Old Trafford squad because Alexis Sanchez and Chris Smalling are top of the list of those to go. They are

already on loan in Italy with Inter Milan and Roma looking likely to keep them.

It looks like the Manchester United door is finally closing on Phil Jones who has struggled for a game since the Norwegian took over.
